

# A proven partner with the power to deliver

We understand that you need more than just a fuel supplier. That you need a business partner who can provide world-class fuels and lubricants but also the ease, expertise, reliability and innovation needed to drive ambition.

Ampol is here to support your business, more than just a fuel company, an ally to assist build the momentum behind your success. A proven partner with the power to deliver.

Our Dealers are supported by a Business Manager who is responsible for leading a territory of Dealer Operated sites.

The Business Managers bring with them a vast range of knowledge and skills from different business sectors from both outside and within the fuel industry. Business Managers support our Dealers throughout their Ampol relationship to drive the success and growth of your business.
