

Over the weekend of 30 April and 1 May no excavation works will occur along Captain Cook Drive. This is to ensure community sport at Marton Park – Kurnell Stingrays – can occur with minimal disruption to traffic and to ensure parking space is available. Works over the weekend will be limited to the maintenance of fresh grass areas and the continued monitoring of wetlands with booms replaced as required. Please call our community line with any questions or concerns.

Sunday – As the day progressed traffic increased. Parking remained available along Captain Cook Drive. Paths and access areas clear, no impact on foot traffic.

Remediation Zone	Location description	Work completed
1	Area north of Torres St/Captain Cook Drive roundabout	Watering of newly installed grass. Barricades in the area are secure and pedestrian access clear.
