

On Saturday morning it was observed that a large diseased tree had fallen across the jogging path into the children's play area behind Marton Hall. The area was cordoned off and the tree was moved to the side to make the area safe. In addition, the play area was cleared of debris created.

Remediation Zone	Location description	Work completed
1	Area north of Torres St/Captain Cook Drive roundabout	Watering of newly installed grass.
2	Impacted area near horse arena	Remediation complete. Watering of newly installed grass.
3 West	Area southwest of Torres St / Captain Cook Drive roundabout	Remediated and covered with turf. Await validation resampling results. Watering of newly installed grass.
3 East	Area southeast of Torres St / Captain Cook Drive roundabout	Watering of newly installed grass. Vacuum truck booked to commence non-destructive excavation due to number of services and the required depth.
